

MANN REPORT

E-J Electric Honored by NYBC

E-J Electric Installation Co. (E-J) was recently given special recognition by the New York Building Congress at its 90th Anniversary Leadership Awards Luncheon as a Charter Member of the Building Congress. Bob Mann, chairman of E-J, was recognized on stage at the Luncheon held at the New York Hilton along with 10 other Charter Member organizations.

According to Bob Mann, "E-J is proud of its involvement in the New York Building Congress and was pleased to celebrate the organization's 90th anniversary serving the New York building community. The Building Congress has always been a place that E-J has invested time as a way of bettering our industry and our City."

Additional organizations who received this recognition included: Building Trades Employers' Association, Cauldwell Wingate Company LLC, HLW International LLP, Jaros Baum & Bolles, Otis Elevator Company, RailWorks Corporation, Skanska USA Inc., STV Group Inc., Tishman Construction Corporation and Turner Construction.

E-J Electric Installation Co. is active in all facets of electrical contracting. Projects vary in size to over \$100 million. Typical installations include: office buildings, hospitals, power plants, co-generation facilities, data communication centers, airline computer systems (120 cities in the United States), industrial plants, universities, movie studios, sport stadiums, transit facilities, roadway installations and high-voltage distribution.
